If the Customer and the Customer Quote To name identified in the General Information table above are not the same, CIS Nigeria represents that Customer has authorized CIS Nigeria to execute this renewal order on the Customer's behalf and to bind the Customer to the terms contained in this renewal order. CIS Nigeria services ordered are for the sole benefit of Customer and shall only be used by Customer. CIS Nigeria agrees to advise Customer of the terms of this renewal order as well as any communications received from Oracle regarding the services.

If the Customer and the Customer Bill To name identified in the General Information table above are not the same, Customer agrees that: a) Customer has the ultimate responsibility for payments under this renewal order; and b) any failure of CIS Nigeria to make timely payment per the terms of this renewal order shall be deemed a breach by Customer and, in addition to any other remedies available to Oracle, Oracle may terminate Customer's technical support service under this renewal order.

Technical support is provided under Oracle's technical support policies in effect at the time the services are provided. The technical support policies are subject to change at Oracle's discretion; however, Oracle will not materially reduce the level of services provided for supported programs and/or hardware during the period for which fees for technical support have been paid. You should review the technical support policies prior to entering into this renewal order.

The current version of the technical support policies may be accessed at <http://www.oracle.com/us/support/policies/index.html>.

The technical support services renewed under this renewal order are governed by the terms and conditions of the applicable agreement identified below ("agreement"):

- The agreement that You executed for technical support services for the programs and/or hardware listed in the Service Details section above with Oracle or a vendor acquired by Oracle. Any use of the programs and/or hardware, which includes updates and other materials provided or made available by Oracle as a part of technical support services, is subject to the rights granted for the programs and/or hardware set forth in the order in which the programs and/or hardware were acquired; or
- If You do not have an existing agreement for technical support services with Oracle, You agree that the terms of the Online Transactional Oracle Master Agreement located at <https://www.oracle.com/corporate/contracts/contract-documents/master-agreement.html>, that is in effect at the time You accept Your renewal order, govern the provision of technical support services ordered under this renewal order, as well as Your rights to use updates and other materials provided or made available by Oracle under technical support services. If applicable, You should review the Online Transactional Oracle Master Agreement prior to entering into this renewal order.

This renewal order incorporates the agreement by reference. In the event of inconsistencies between the terms contained in this renewal order and the agreement, this renewal order shall take precedence.
